

COZUMEL ADVENTURE

UNDERWATER PARADISE

Experience

We will meet early in the morning and drive to the private marina where a fully equipped Palmetto Speedboat 38' awaits us.

We'll start by sailing across the Caribbean to Cozumel, where our first stop is perfect to practice snorkel or free diving and witness the marine life of the second-largest coral reef in the world.

For our second stop, we'll visit a very special place called El Cielo. Known for being home to hundreds of starfish and its crystal-clear and shallow waters.

Close to the end of the adventure, we'll enjoy our food and drinks in a unique landscape before we start the trip back to the marina.
