

# OPEN WATER COURSE

## Experience

It is an autonomous basic level certification for recreational diving.

It's a complete course carefully structured and designed to take you from having little or no diving experience to become a certified diver.

This certification is recognized worldwide and it's valid for life, to dive a maximum of 18 meters deep.

It takes two or three days of diving to complete the course, and getting your own Certification Card.

4 open water dives ( cenotes and ocean )
