If you prefer to be sheltered from the rays of the sun, you can do so comfortably, nestled in wide armchairs at the back of the yacht, or relaxing inside the cabin with a living room and dining room.

The 4-hour experience consists of sailing to the beautiful beaches in the south or north of the bay. Where we can enjoy an incredible day on these beautiful beaches to enjoy water activities such as snorkeling, paddle boarding, swimming or simply enjoy the excellent quality food and drinks that we offer.

Or sail to El Cielo in Cozumel, ranked as one of the best snorkeling destinations in the world.

Spend the entire day in this magical retreat enjoying water activities: paddle-boarding, snorkeling, freediving, swimming, and more – the water is shallow enough to stand in, drink-in-hand, or float up to the sandy beach.

On your way back, a beautiful sunset will accompany you on your journey, while your host captures the perfect photos in the ideal setting.
